

Zelienople Area Public Library—100 Years!

100 Book Reading Challenge

February 1 - December 1, 2020

Zelienople Area Public Library is turning 100 this year, and we hope you will celebrate with us by participating in our reading challenge! To complete the challenge, you will need to read and record the titles of 100 books total. You must check out and read at least 50 books from Zelienople Library. These can be books owned by the Zelienople Area Public Library or books requested from any of the other eight Butler County Public Libraries--just as long as they are checked out at Zelig Library. The other 50 books can be ones you own, ones you've borrowed from libraries outside of Butler County, or additional books checked out from any of the Butler County Libraries. The challenge begins February 1st, but you can join any time between February 1 and December 1, 2020.

For each group of 25 books read, you will receive a raffle ticket for the drawing of the grand prize! After each 25 books read, stop by the Library to collect your raffle tickets. Readers who complete the 100 Book Challenge will receive a total of four raffle tickets for the grand prize drawing: a \$100.00 Barnes & Noble gift card! You will also win a small prize at 50, 75, and 100 books read. **Thank you for participating in the Library's 100 Book Reading Challenge!**
